Emporia Surgeon Tells Physicians of Negro as a Surgical Subject.

## SESSION AT PETERSBURG

Board of Aldermen Meets and Considers Several Important Ordinances.

Times-Dispatch Bureau, 100 North Sycamore Street, Petersburg, Va., June 8.

The twenty-fifth session of the Southside Virginia Medical Association was held here to-day, with afternoon and night sessions. Dr. C. W. Astrop, of Surry county, the president, presided. The attendance from the counties comprising the association is quite large, and Petersburg and Richmond are well represented. The address of the president on "Fetichism of Authority" was read. During the afternoon a number of interesting papers were read by Dr. A. Martin, of Petersburg; Dr. W. M. Murrell, of Richmond; Dr. E. L. McGill, of Petersburg; Dr. Lucius Lofton, of Emporia; Dr. Robert C. Bryan, of Richmond; Dr. R. A. Shands, of Washington, D. C.; and Dr. J. B. J. of Petersburg.

The association then took a recess until 8 o'clock to-night, when further papers were read by Dr. W. H. Crockett, of Petersburg; Dr. E. G. Williams, of Richmond; and Dr. William F. Drewry, of Petersburg.

The meetings were held in the Chamber of Commerce, and the papers read were highly interesting and instructive, some of them leading to general discussion.

Dr. Lofton's paper dealt with "The Negro as a Surgical Subject," and the series of remarkable recoveries referred to during his remarks were not at all short of the marvelous.

Dr. Lofton began his address before the association by stating that, barring his lungs, the negro was the most perfect specimen of the human race known.

The report of case of a sawmill operative, whose head and neck were severed as a result of a blow from an axe, and from which brain matter had escaped or three days, but who never lost consciousness after being injured, was regarded with intense interest by all who heard the statement. This man, completely recovered, and returned to work within twelve days, having never suffered any ill result.

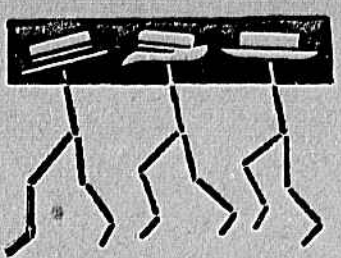

Another most interesting case cited was that of a negro youth whose knee had been practically destroyed by a charge of bird shot, the boy declining to have the extremity amputated by Dr. Lofton. Gangrene later set in, and after in the course of twelve days had done for the man what he would not permit the surgeon do. This case made a splendid recovery. Speaking of the vitality of the negro as a surgical subject, the speaker related an instance where a man was drawn up on a iron shafting by a leather belt, here his body was whipped around the shaft a hundred times or more, and finally the right arm was torn to the man's body falling to earth distance of ten feet. The man was not injured, and regained his mental equilibrium in a few minutes. The injury was given surgical attention promptly, and in four days he was sitting up in his room.

"A peculiar thing about the last case," said Dr. Lofton, "which, by the way, is common to all negroes, speaking strictly from a surgical standpoint, they withstand that devastating condition we recognize as shock more successfully than any race except the white."

My idea in relating the foregoing experiences was to direct the attention of this body to that unknown something a negro surgical subject possesses. The negro," he concluded, "is the ideal possession for the surgeon."

After adjournment to-night the members of the association and visiting guests enjoyed a smoker given by the Petersburg faculty.

The Board of Aldermen at the monthly session last evening considered in all the measures passed at the last meeting of the Common Council, including the general appropriation ordinance covering the expenses of the municipal government for the year beginning July 1, and the ordinance fixing the rate of taxation at \$1.40 per \$100 of value of real and personal property. The estimated revenue of the city for the next year are \$310,000, and the appropriation ordinance provides for a total expenditure of \$270,000. The Board further concurred in the ordinance sent up from the Council granting authority to the Norfolk and Western Railway Company to raise the grade

of River Street and change its tracks to conform to the plan for the erection of the new \$50,000 passenger station, and also concurred in the ordinance creating the office of Milk and Food Inspector and prescribing his duties.

The salary of this officer is fixed at \$1,000 per annum. It is said there are many applicants for the position, which is to be filled by the Council in its session. The trouble with the Council will be in the selection from so many applicants of the man best equipped for the duties of the office.

Personal and Otherwise.

E. J. Perkinson, a well-known citizen and farmer of Chesterfield county, died suddenly last evening at his home, on the River Road, about nine miles from Petersburg. He was stricken with apoplexy about 5 o'clock and died at 7 o'clock. Mr. Perkinson was well known and respected in the county, and was unmarried.

The many friends of Rev. Henry L. Derby are grieved to learn of his critical illness at his home in Lawrenceville. Mr. Derby for some years resided in Petersburg, where he was assistant rector of St. Paul's Episcopal Church, and had charge of important mission work in this city and vicinity. During his residence here he was chaplain of A. P. Hill Camp of Confederate Veterans.

One hundred and sixty-five colored teachers, male and female, coming from different sections of the State, were present last evening at the opening of the summer normal at the Virginia Normal and Industrial Institute. This number will be increased to over 200 by late arrivals. Addresses were delivered by R. Randolph Jones, Superintendent of Public Schools in Petersburg; Dr. D. Webster Davis, of Richmond; and others.

Charles Clayton, colored, convicted at the recent term of the Hustings Court of the charge of betrayal under promise of marriage, narrowly escaped execution a term of two years in the penitentiary, which was the verdict of the jury. A new trial was asked for, and to-day the verdict was set aside and the Commonwealth entered a noli prosequi on the declaration of the woman that no promise of marriage had been given.

The Petersburg Grays met last night and took several ballots for the election of a second lieutenant to fill a vacancy. The balloting was without result, and an adjournment was taken until Friday night. The candidates voted for were Sergeants L. L. Kidd and Robert Gilliam, Jr.

The annual commencement exercises of St. Joseph's Academy will take place Tuesday afternoon, June 15, in the Academy of Music.

A meeting of the Alumni Association of the Bishop Payne Divinity School in this city was held to-night, and addresses were delivered by Bishop Tucker and the Rev. George Bragg, of Baltimore.

## POST-OFFICE ROBBED.

Two Thousand Stamps Taken, But Money Not Disturbed.

[Special to The Times-Dispatch.]  
PETERSBURG, Va., June 8.—The Straburg post-office was entered last night and about 2,000 stamps were taken. Money lying by the side of the stamps was undisturbed. An attempt was made to break open a rear shutter and breaking the glass near the cash lock. The handle of the safe was broken off in such a manner as to throw the lock.

Two tramps loitering about town were arrested, but there was nothing to implicate them and they were released.

CHOWAN COUNTY  
MUST PAY DEBT

Ordered to Come Forward With \$5,000 on Repudiated Railroad Bonds.

## ROAD NOW TORN UP

Heavier Assessments Probable if Legislative Act Is Not Secured.

[Special to The Times-Dispatch.]

REIDING, N. C., June 8.—An order has been made by Judge Connor in the Federal court here that the town of Murfreesboro, Chowan county, must pay \$5,000 on the old repudiated railroad bond debt of \$25,000, a litigation that has had several sensational turns and attracted wide attention. The old road for which the bonds were issued has been torn up several years. Murfreesboro paid \$4,000 on the bonds two years ago by order of Judge Purnell, and this year it was sought to get the town off with a payment of \$1,500. Along with the order of the court that the payment this year must be \$5,000, there was an intimation by Judge Connor that if there is not obtained a legislative act for funding the remainder of the debt, there will have to be an even heavier annual assessment than the \$5,000 until the debt is discharged. A Washington, D. C., syndicate now holds the bonds, which were originally sold to Jacob Tone, of Baltimore.

Commissioners Issued.

Governor Kitchin issued commissions to-day to delegates on the part of North Carolina to the National Congress to be held at Norfolk, Va., on June 23, at Monte Ne, Ark. They are Colonel Benham Cameron, Stageville; R. S. Miller, Jr., Charlotte; William Watson, Swan Quarter; S. B. Tanner, Raleigh; J. C. Gilford, Dunn; R. W. Allen, Sanford; W. N. Everett, Roanoke; H. B. H. Smith, and others. Other delegates named are J. H. Fulton, J. H. Smith and others. Other delegates named are J. H. Fulton, J. H. Smith and others.

The Wake county commissioners to-day sold \$20,000 bonds for funding the floating indebtedness of the board of road commissioners to E. C. Dennison, of Richmond, O., the premium being \$1,614.25.

## PRESIDENT KILGO RE-ELECTED.

Dr. Black Delivers Annual Sermon at Trinity College.

[Special to The Times-Dispatch.]  
DURHAM, N. C., June 8.—The annual sermon by Dr. Hugh Black, of New York, was re-elected President of the Trinity College, and the faculty at a meeting of the trustees of the institution, concluding with the alumni address and banquet in the afternoon, were the features of the second day of Trinity College commencement, which is regarded in many respects as the most successful and interesting in several years. The presence of Dr. Black, who is one of the best known ministers in the world, added significance to this commencement, and he was greeted by a tremendous crowd.

His sermon, based on "The Limitation of men and their progress as prisoners of hope," conveyed a fine impression and his masterly effort was enthusiastically received.

The principal address at the alumni meeting was by Rev. W. A. Lambeth, whose subject was "By-Products at Trinity." It was a large gathering of the old classes and an interesting event. It is expected that several important announcements will be made by President Kilgo to-morrow morning in regard to additional instructors and the future work of the college.

Senator Jonathan P. Dolliver will deliver the literary address to-morrow at 11. He will come here on a special train.

## JURY IS SECURED WITHOUT TROUBLE

State Is Making Strong Case Against Negro Charged With Murder.

[Special to The Times-Dispatch.]  
ALEXANDRIA, Va., June 8.—Half an hour was the record-breaking time in which a jury was secured this morning for the murder trial of Richard, alias "Dick," Pines, the second of the four negroes charged with the murder of Walter F. Schultz, who was placed on trial for his life. But thirty minutes was required before the jury was selected, and the trial was begun at 10 o'clock.

The jury is from Fairfax county, and is as follows: G. M. Cronk, R. B. Tyler, John H. Waple, L. I. Hotter, C. M. Johnson, R. D. Haines, Jacob Cole, M. C. Coffey, W. H. Honkins, G. W. Gaines, S. W. Sisson and J. F. Swartz.

The witnesses examined to-day were for the prosecution. Up to the present time no new evidence has been introduced. A large throng filled the courtroom. Aylett Nichol represents the prisoner, and the prosecution is being conducted by Commonwealth Attorney Samuel G. Brent.

Throughout the entire proceedings Pines stood erect in the prisoner's box and listened to the testimony with the keenest interest. The negro practically drinks in everything that is said, and at times appears wild with excitement as the damning testimony is given against him in the strong case which is being put up by the State.

Negro Is Killed.

[Special to The Times-Dispatch.]  
CHATHAM, Va., June 8.—John Tunn-stall was accidentally shot to death at Sheva to-day by James Jones. Jones was hunting him from the ground when he was discharged, the load entering below Tunnstall's left shoulder, death resulting instantly. Both are negroes.

## A CLOSE SHAVE

Many of Them Happening Every Day, but Soon Forgotten.

Cloze shaves would be of more frequent occurrence but for the tender faces of many men, which will not permit of shaving often. Heretofore nothing has been said in these columns about posium, a new skin dressing, which in connection with its use after shaving. Its publicity and sales have been confined almost exclusively to its remarkable properties as an exfoliant cure to stop the itching at once and cure the worst cases in a few days. While the application of posium after shaving is one of its minor uses, such as to soothe the complexion, etc., shavers will find it a revelation, as it does for abrasions, roughness and severe eczemas what it does for all manner of skin difficulties—boils and cures in a few hours. It is the only article possessing real antiseptic and curative value that has the most delicate and soothing tone up the skin as no toilet preparation could possibly do. Posium can be had for fifty cents at any reliable druggist's, particularly Tragle's, who make a specialty of it. Or the Emergency Laboratories, No. 32 West 12th Street, New York City, will send a trial supply free by mail to any one who will write for it. This is sufficient to show results in 24 hours.

## HOTEL MEN ARE NOW IN SESSION

Virginians and North Carolinians Holding Their Convention in Asheville.

[Special to The Times-Dispatch.]

ASHEVILLE, N. C., June 8.—The convention of the Hotel Men's Associations of Virginia and North Carolina was called to order in the ballroom of the Battery Park Hotel here this morning by C. E. Kavanaugh, president of the North Carolina Association, who welcomed the hotel men to the State and expressed the hope that this convention might be as successful as the last one, which was held at Richmond.

He then introduced Judge Thomas A. Jones, of Asheville, who in behalf of the Mayor, welcomed the visitors to the city.

P. M. Fry, of Richmond, president of the Virginia Association, when introduced spoke briefly of the new convention to be held at Norfolk in January, and brought to the convention promise of a welcome from the hotel men.

Because of the Confederate reunion at Memphis, a large part of the Virginians and Easterners went out on a strike this morning. Their complaint is that the management has failed to comply with its promises in meeting the pay rolls. The road, which runs from Mt. Airy to Salisbury, Va., has been in the hands of receivers for two years. The only train operated to-day was run by Superintendent S. A. White as engineer.

The five brides, each attired in white, had left their respective homes ostensibly to attend the commencement at Emory and Henry College here. All the couples arrived on the same train. This ceremony brings Rev. Mr. Burroughs' record up to nearly 3,000 couples, and he claims the world's record for marriage ceremonies.

Bonner, formerly cashier of the North Carolina Oil Company, here at Asheville, who was arrested in Baltimore, Thursday, and brought here Sunday morning, charged with a shortage of from \$8,000 to \$10,000, was completely exonerated at the hearing this morning. Mr. Eaton was convinced that nothing wrong had been attempted and the supposed shortage was all accounted for.

## MOTHER OF FIVE GOES TO PRISON

Two Years Is Penalty for Mrs. Campbell, Who Killed W. A. Amos.

BUENA VISTA, Va., June 8.—After being out just one hour, the jury in the case of Mrs. Mary E. Campbell, charged with the killing of W. A. Amos, brother of former sergeant Amos, of Richmond, returned a verdict of guilty of manslaughter, and made by Pr. penalty two years in the penitentiary.

The counsel for the defense made the usual motion to set the verdict aside as contrary to the law and the evidence. This motion will be argued to-morrow morning at 10 o'clock.

Mrs. Campbell was much overcome when the verdict was announced. She had borne up bravely throughout the trial, and apparently was confident of acquittal, but when the end came she broke down and had to be supported from the courtroom.

The killing for which Mrs. Campbell must go to prison was committed at 1309, at her home in Buena Vista. Mr. Amos had returned from Illichmond, and it is stated that he had been drinking heavily. He sought to enter the Campbell home, when Mrs. Campbell drew a shotgun and killed him. The Amos and Campbell families are related, and there had been ill feeling between them. The plea of self-defense was made at the trial by the attorneys for Mrs. Campbell.

Mrs. Campbell is the mother of five children, and she has many relatives throughout the county, some of whom were with her during the trial. Scott Amos, of Ashland, brother of the man who was killed, was also present at the trial.

A strong defense was made for Mrs. Campbell, and every inch of ground was contested throughout the trial, which began yesterday morning. The taking of testimony was concluded at noon to-day, when the making of addresses to the jury began. The opening address was made by Prosecuting Attorney Rucker. He was followed by Hugh A. White, of Lexington; W. A. Robertson, of R. S. Willis, of Buena Vista, for the defense; and by Attorney Rucker closed in an hour. It was 6 o'clock when the case went to the jury, and an hour later the verdict was returned.

[Special to The Times-Dispatch.]  
SUFFOLK, Va., June 8.—Notwithstanding that this was the first time in more than twenty years the Democratic Council nominees have had opposition, the election to-day was listless, and a very small vote was polled, the total being 228. John B. Norfleet was elected Mayor without opposition and the nine Democratic Councilmen were elected over their Republican opponents, who ran on a Citizens' ticket. The highest Republican received 123 votes, the lowest Democrat 220. There were voted only ten straight Republican tickets and 145 straight Democratic tickets.

In Smithfield to-day Dr. L. C. Brock, for Mayor, and six Democratic Council nominees were elected without opposition.
